Explorers Win Fifth Straight MAAC Cup

La Salle maintained its firm grip on the Metro Atlantic Athletic Conference Commissioner's Cup by winning the award for the fifth straight year in 1987-88. The award symbolizes overall excellence within the MAAC and is based on competition in 13 sports. The Explorers, who have won the trophy every year since entering the MAAC, edged Army by one-half point in the closest race in cup history. La Salle racked up 84.33 points, winning two conference titles outright, men's basketball and women's basketball, and tying for the championship in men's soccer. The Explorers also claimed five second-place finishes.

"It is with extreme pride in each of La Salle's 22 sports that I accept the fifth-straight All Sports Award on behalf of our coaches and student athletes," Bob Mullen, La Salle's Athletic Director, said. "The credit for such a record also goes to the commitment of Brother Ellis, our President, and his administration towards a total athletic program for La Salle University. This represents a level of excellence that will be difficult to maintain, but we look forward to the challenge each year against the fine universities in the MAAC."

La Salle dominated both the men's and women's basketball leagues, going a combined 25-1 during the regular season. The men's team finished a perfect 14-0 in home-and-home play and swept through the MAAC tournament with three wins enroute to the NCAA bid. The women's team lost only to Holy Cross during the regular season and was upset by Fairfield in the tournament finals.

"This past basketball season was extremely gratifying and a credit to our fine young people," said Coach Speedy Morris. "Winning 24 games, including a first-ever 17-0 in the MAAC, was accomplished because of unselfish team play. When I think back over this past season I will remember an aggregation of young men who liked each other. They did not care who got the credit as long as they were victorious."

The men's soccer team's bid for sole possession of the MAAC Championship was spoiled by one goal. The Explorers lost at Army 1-0, giving up that goal on a corner kick with just 2:15 gone in the game. La Salle went 5-0 in its remaining MAAC games to tie with Fordham and Army for the crown. It was La Salle's fourth soccer championship in five years, and the first for Coach Pat Farrell.

La Salle's four-year hold on the MAAC men's swimming championship fell by the way side in 1988 as Army captured the team title in its home pool. The Explorers finished second in both the men's and women's team races. La Salle will get a chance to regain the title next year when they have the home pool advantage.

Senior Barry Petrachenko and junior Steve O'Donnell paced the La Salle baseball team to a 24-19 overall record and second place in the MAAC. Led by All-MAAC selections Sonya Wilmoth, Maureen Carroll and Anne Richards, the softball team also took second place in

the league. Captain John Schwab led the La Salle men to their third second-place finish in five years in cross country by finishing third in a 69-man field at Van Cortlandt Park, NY.

BASEBALL (24-19, MAAC: 9-5)

A five-game losing streak to end the regular season dashed La Salle's hope for an at-large bid into the ECAC Tournament. The Explorers finished the regular season at 24-19 and finished second to Fordham in the Metro Atlantic Athletic Conference with a record of 9-5.

Barry Petrachenko (sr., Welland Eastdale/Welland, ONT) finished his four-year career at La Salle with several school records including games played (172), hits in a career (272), runs scored (213) and stolen bases (115). Petrachenko, a second baseman, will compete in the Summer Olympics for his native country Canada.

Petrachenko, Steve O'Donnell (jr., J.R. Tucker/Richmond, VA) and Frank Richey (sr., Upper Moreland/North Hills, PA) led the 1988 Explorers in hitting. Petrachenko hit .401 while O'Donnell finished at .393 and had a team leading 12 doubles. Richey hit .342 and led the team in with 55 RBI.

O'Donnell and Petrachenko received All-MAAC First Team honors, while Richey was named a member of the All-Academic squad. O'Donnell was voted to the First Team All-East as a third baseman and Petrachenko was a Second Team selection.

SOFTBALL (14-27 MAAC-2nd)

Coach Rick Pohlig clinched his 200th win with a victory over Villanova on April 19th as his 13th edition of the La Salle softball team went on to finish 14-27 and take second place in the MAAC tournament. Pohlig has compiled an overall record of 203-157-1 for a winning percentage of .563.

After capturing the MAAC title in 1987, La Salle was the team to beat in Allentown in '88. Army, the second place team last year, fell to the Explorers in the quarterfinals, but came back through the losers' bracket to defeat La Salle twice to take the title. In game one of the championship series, La Salle fought Army for 10 innings but came up short 1-0. In the game two of the afternoon, Army once again got the better of the Explorers and won 2-0 to regain the crown.

The 1988 season saw the end of the career of Sonya Wilmoth (sr., C. Milton Wright/Bel Air, MD), who graduated with more wins than any La Salle pitcher in history. Wilmoth posted 56

career victories and holds the most wins in a season with 21, set during her freshman season. Wilmoth, the 1987 Player-of-the-Year in the MAAC, was voted to the All-MAAC team in 1988 as a first baseman.

Also receiving All-MAAC honors in 1988 were second baseman Maureen Carroll (sr., Cardinal Dougherty/Philadelphia, PA) and outfielder Anne Richards (Jr., Notre Dame/Stroudsburg, PA). Carroll and catcher Toni D'Alessandro (jr., Verona/Verona, NJ) were also named to the Academic All-MAAC Team.

MEN'S TENNIS (9-3)

In his eighth year at La Salle, Coach Jeff Marmon led his team to an impressive 9-3 record, bringing his career record in the men's program to 65-32-1. Combined with his 35-37 record as the women's coach, Marmon has a total of 100 career victories at La Salle.

Darryl Mack (so., St. Joseph's/Old Bridge, NJ), the MAAC singles champion last season, was 11-1 in singles to lead the team. Jim Simone (sr., La Salle/Huntingdon Valley, PA), the No. 1 singles player this season for the Explorers, finished the year at 7-1. Also turning in an outstanding year was Eric Metz (jr., St. John's/Rockville, MD) who was 8-2 in singles and 5-0 in doubles.

In the fall, the men competed in the Metro Atlantic Athletic Conference Championships at Forest Hills, NY, and placed third.

Peter Teluk (sr., Calvert Hall/Baltimore, MD) was named to the Academic All-America District II team and is on the national ballot. Teluk was 7-4 in doubles this year.

GOLF (11-3, MAAC-3rd)

An 11-3 regular season record helped the Explorers receive the school's first at-large bid in the Eastern Regional Championship Tournament. Led by junior Tomas Kelliher (St. Brendan's/Killarney, Ireland) La Salle placed 10th in a field of 12.

La Salle golfers shot an impressive 378 in a tri-match with Ursinus and Widener on April 5th, posting the best team score since 1984.

Overall the team place third in the MAAC Tournament with 830, finishing behind Army (777) and Holy Cross (806). Tomas Kelliher, Francis Mallee

Andrea Schwind

(so., Holy Ghost Prep/Philadelphia, PA) and Joe Boyle (sr., Roman Catholic/Philadelphia, PA) received All-MAAC honors.

CREW

The season marked the first for Head Coach Mark Valenti, who had been assistant crew coach for both the Philadelphia Athletic Club and La Salle High School since 1983.

From the field of 90 teams at the prestigious Dad Vail Regatta, La Salle placed two boats in the finals. Both the Men's Novice Eight and the Lightweight Four finished eighth.

La Salle finished first in the MAAC Championship capturing firsts in seven of 13 races. The men won four races while the women won three.

In La Salle's 125th Anniversary Regatta held at Cooper River, La Salle had first-place finishes by the Men's Novice Eight and the Lightweight Four. Seven of the 15 schools represented at the La Salle Regatta had boats racing in the finals of the Dad Vail, indicating the strength of the field.

TRACK AND FIELD

Captain Andrea Schwind (jr., Lansdale Catholic/New Britain, PA) set a La Salle school record in the 3000 meter race at the Colonial Relays in Williamsburg, VA, while finishing fourth in the race. Schwind, who set a La Salle 1500 meet record at the Dogwood Relays, was selected as the outstanding runner in both cross country and track and field by the coaching staff.

In men's track, an injury-plagued team, limped through the season as John Kovatch (so., North Penn/North Wales, PA) and Bob Ilik (fr., Boyertown/Gilbertsville, PA) shared the MVP honor for the men.

Legler, Reeve honored...

For just the second time in the history of the Metro Atlantic Athletic Conference, two athletes from the same school were recipients of the league's scholarships for men's and women's basketball. Tim Legler and Cheryl Reeve of La Salle were both honored by the conference as the Scholar-Athletes and will receive \$1000 scholarships for graduate school.

In 1986 La Salle's Chip Greenberg and Jill Crandley were both awarded the Scholar-Athlete scholarships for men's and women's basketball.

Legler, a First Team Academic All-American, graduated with a 3.4 in a dual major of Finance and Management Information Systems (MIS). Legler also was selected to the First Team All-MAAC and MAAC All-Tournament team. He was second on the 1987-88 Explorer team with a 16.7 scoring average and led the team in 3-point shooting with 104-212 shooting (49.1%).

Reeve, who has started more games in a La Salle uniform than any other woman, carried a 3.3 in a dual major of MIS and Computer Science. A First-Team All-MAAC selection, Reeve was also an Academic All-MAAC selection, a Big 5 All-Academic pick and a Second Team All-Big 5 player. Reeve helped lead the team to a 25-5 mark, scoring 12.5 points per game. Captain of the 1987-88 squad, she finished 10th in the nation in free-throw accuracy with an 85.3%.

Greenberg, Sneed on tour...

Kelly Greenberg and Tracey Sneed, co-captains of the 1988-89 La Salle women's basketball team, have been selected to play for an all-star team that will tour Sweden and Denmark this summer. Irvin Wisniewski, the former head basketball coach at the University of Delaware, selected the two La Salle standouts at the recommendation of Explorer Coach John Miller.

Sneed, the Metro Atlantic Athletic Conference Player-of-the-Year, led La Salle last season in scoring with a 16.7 average and was the No. 1 free-throw shooter in the nation with a 91.5% accuracy rate. Greenberg, who also starts on the field hockey team, was the starting point guard for the Explorers and set game and season records for assists. The tour, which is sanctioned by both the NCAA and UBAUSA, leaves August 22 and returns Sept. 4.

La Salle to host swim meets...

La Salle will host the National Catholic Swimming Championships on

Dec. 1-3 and the Metro Atlantic Athletic Conference Championships on Feb. 10-12. The Dec. 1-3 meet will feature swimmers from Catholic colleges and universities from across the U.S.

Villanova captured the men's title while Boston College was the women's team champion. To help defray the cost of the NCS, the La Salle swimming teams will hold a swimathon and publish a meet program.

The swimathon will be held during Homecoming on Oct. 15 in Kirk Memorial Pool. Sponsorship of the entire team is available for \$.01 per lap while individuals may be sponsored for \$.10 per lap. Pledges may be sent to:

Broderick, Nunez join La Salle staff

Joan Broderick

Joan Broderick, who coached the La Salle field hockey team to AIAW National Championship in 1980, will return to the La Salle campus July 1 as the Director of Academic Support Services for Student-Athletes. A panel of academic and athletic administrators, coaches and a student were on the committee chaired by Dr. Pete Filicetti of the Counselling Center, selected Broderick from among 50 applicants.

"Joan is certainly an intelligent, poised, classy individual," Dr. Raymond Heath, Vice-President for Student Affairs, said. "When Joan expressed an interest in returning, we certainly were happy to have a person apply who we have had the chance to evaluate personally. Her meeting with the committee was marvelous.

"Student-athletes who have been associated with her have consistent high regards for her coaching skills and the fact that Joan never lost sight of the academic side."

The Director will coordinate all academic support services and programs available to the student-athletes in 22 varsity teams. Broderick will provide academic advising and counselling services and assist with academic and

personal skills development, while serving as liaison between the faculty, administration and athletic department staff. She will also monitor and maintain academic progress records, coordinate tutorial, career planning and related assistance programs. Broderick will report directly to Dr. Heath during her first year of service, then the position will be re-evaluated for reporting purposes.

A 1971 graduate of Ursinus College with a masters in Education from West Chester, Broderick is currently the head field hockey and lacrosse coach at Northeastern University in Boston. From 1982-1984 she served as the head field hockey and lacrosse coach at Mt. Holyoke College while teaching in the physical education department.

Jackie Nunez

Jackie Nunez, the former assistant volleyball coach at the University of Rhode Island, has been named the head coach of the La Salle University volleyball team. The Explorers compete in the Metro Atlantic Athletic Conference and finished third in last year's tournament.

Nunez, a graduate of Northwestern University with a B.S. in Human Development and Social Policy, is completing her master's work in counselling at Rhode Island. While at

Joan Broderick

Rhode Island she was an assistant coach for two seasons and was in charge of recruiting, weight training, setter development and academic progress for the volleyball team. She also has been an instructor at numerous volleyball camps over the last seven years and was the head coach of a 13 & under team that finished sixth at the Junior Olympic National Championships.

Nunez attended Northwestern on a volleyball scholarship and was a three-year letter winner. An All-Big 10 and All-Midwest selection as a junior, Nunez was a member of two Big 10 Championship teams with the Wildcats.

Where they are now...

Aces Up.....

The Philadelphia Aces of the United States Basketball League have a distinct La Salle aura this season, not only is the team coached by former Explorer mentor Dave "Lefty" Ervin, but four former members of the Blue & Gold are on the roster. Under Ervin the Aces are leading the conference. Michael Brooks, the all-time leading scorer in La Salle history with 2628 points, is in his second season with the Aces.

Brooks, who was the national Player-of-the-Year in 1980, spent most of the past season with the Albany Patroons and then moved up to play with the Denver Nuggets of the NBA. While with the Patroons for 51 games, Brooks averaged 14.9 ppg and 11.9 rebounds. His rebounding average led the league

and his 623 season rebounds established a Patroon mark. He had the first 20-20 in the six-year history of the Albany franchise and recorded a double-double in nearly every game. Brooks was MVP of the CBA All-Star game and MVP of the league. The Patroons won the CBA with a 48-6 record.

Joining Brooks on the roster are Steve Black, Stan Williams and Tim Legler. Black is third in the school record books with 2012 career points while Legler stands fifth at 1699.

In the Motor City...

Another former La Salle standout is doing time with the NBA, Ralph Lewis is currently playing for the Detroit Pistons in the league's championship series against Los Angeles. Lewis is fourth on the

Explorer scoring list with 1807 career points.

Comeback time....

Tom Filer, a 31-year old right-hander who pitched for the Explorers, has returned to the major leagues to play for the Milwaukee Brewers. In his first major league appearance since 1985, Filer pitched a complete game and allowed just five hits in a 7-0 win over Detroit. Filer, who was called up from the Class AAA team in Denver, missed most of the 1986 and 1987 seasons due to elbow problems.

Speedy Morris

Speedy Morris receives contract extension

Bill "Speedy" Morris, the head basketball coach of La Salle University men's team, has been given a contract extension through July, 1992. Morris, who coached the Explorers to a perfect 14-0 Metro Atlantic Athletic Conference record this past season, was under contract until July, 1990.

"Speedy has done an exceptional job and is very deserving of this extension," Bob Mullen, Athletic Director of La Salle, said. "It has been an extreme pleasure working with a coach who is not only a winner on the court, but a caring counsel to his players off the court. His philosophy fits well into the La Salle purpose and image of the student-athlete."

Morris has a 44-23 record as the men's coach and will be going for his

100th win at La Salle during the 1988-89 season. Morris previously coached the La Salle women for two seasons, finishing with a 43-17 record. He led the Explorer women to the NCAA tournament in 1986, the men's team to the finals of the NIT in 1987 and the men's squad to the NCAA tournament in 1988.

"In addition to his conference championship and post-season participation, Speedy has met very exacting scheduling commitments without losing heart," Bro. F. Patrick Ellis, President of La Salle, said. "He has proved, further, to be a good recruiter; and he has inspired great loyalty among the team's boosters. His personal involvement in the life of the

entire university sets an enviable standard for all coaches."

Morris coached at Roman Catholic High School from 1967-81, compiling a 347-82 record and then moved on to William Penn Charter School from 1982-84, where his teams were 40-14. Morris has four consecutive 20-wins seasons at La Salle and as a Head Coach his teams have won at least 20 games in all but one season since 1972-73. In 1982-83 his first Penn Charter team won 19 games.

"I am extremely grateful that La Salle has enough confidence in me to extend my contract through 1992," Morris said. "I will continue to do my best and work very hard to achieve the goals of our prestigious institution."

A MESSAGE FROM BOB MULLEN, DIRECTOR OF ATHLETICS

The excitement which surrounds La Salle's athletic program should be shared by all former varsity athletes, alumni, parents and friends dedicated to the success of the University. This excitement should register with all 22 varsity sports. This newsletter will keep you informed of what La Salle's current student athletes are accomplishing, of upcoming events, and of what the needs are for the total program.

We encourage you to continue your support for your sport, and to attend varsity matches wherever and whenever you can, and special functions which that sport sponsors. This newsletter and other University functions will give the Athletic Department a chance to administer a booster program within NCAA guidelines. Each sport's alumni can continue to operate its own separate group under this "umbrella."

You can show your renewed support by subscribing to this newsletter, which will be published monthly during the 1988-89 school year. The cost is \$25.00 for one year. This will entitle you to receive the newsletter, a lapel pin which recognizes you as a supporter of La Salle Athletics, and information about and invitations to special functions of your particular team and of the Athletic Department.
